

**TAKE PRIDE[®]
IN AMERICA**

DisneyHand, worldwide outreach for The Walt Disney Company, is a proud sponsor of Take Pride in America[®], a nation-wide program that encourages all Americans to take care of our natural treasures – from community playgrounds to national parks. In support of this effort, Disney Cast Member “VoluntEARS” are showing their character by volunteering in “Character Clean Up” volunteer projects around the country.

As you enjoy the majestic natural splendor of the Great Northwest displayed in Disney’s “Brother Bear,” please remember that the public lands belong to each one of us. Together we can lend a hand and do our part by picking up litter, restoring trails, planting trees or creating our own environmental project to ensure that public lands throughout the country can be enjoyed by future generations.
